

## *The Web's Best Educational Resource for Options Traders*

### **Our Mission**

*Successfully Trading Options on Commodity Futures Begins With Education* Trader's Edge is your one stop online resource for options trading information, advice investment tools, resources, personal portfolio tutoring and even emergency investment counseling-at no cost to you as the trader.

In today's world, there seems to be a constant barrage of information that could overwhelm traders seeking to expand their knowledge of futures, options and commodities. This website hopes to solve this dilemma by honing the focus on select markets- as well as making sure to present the information in a concise and streamlined fashion to the trader.

Whether you're starting with the basics (Options 101) or interested in more advanced concepts of trading, we are here to help you find a trade or give you the right advice on how to strategize in adjusting a position. It is the hope of everyone here at Trader's Edge that you will leave this website a more informed trader.
